Mr. Mike Huerta  
CUPA Program Manager  
Butte County Environmental Health  
202 Mira Loma Drive  
Oroville, California 95965

Dear Mr. Huerta:

The California Environmental Protection Agency (Cal/EPA), Office of Emergency Services, Office of the State Fire Marshal, Department of Toxic Substances Control, and the State Water Resources Control Board conducted a program evaluation of the Butte County Environmental Health Certified Unified Program Agency (CUPA) on November 14 and 15, 2007. An evaluation report was provided to your office which included identified deficiencies, preliminary corrective actions and timeframes for correction.

Cal/EPA requests that the CUPA's follow-up on deficiencies identified in the evaluation by submitting deficiency progress reports every 90 days that depict the progress being made towards correcting the identified deficiencies. A deficiency progress report was due on June 27, 2008. Cal/EPA has not received the deficiency progress report.

The Butte County Environmental Health CUPA is requested to respond to our letter and submit the deficiency progress report to Cal/EPA by August 29, 2008. If you have any questions or concerns, please feel free to contact me at (916) 323-2204, or email at [jjaschke@calepa.ca.gov](mailto:jjaschke@calepa.ca.gov). I look forward to receiving the deficiency progress report.

Sincerely,
